

You are invited,

In anticipation of the 250th Anniversary of the American Experiment, you are invited to a special Sunday School lesson. Tomorrow I will be teaching a lesson on the importance of the Declaration of Independence and the US Constitution.

The lesson will be about 50 minutes. We will cover why these documents are so important, how they are so unique, how they create a special inheritance to all Americans and what our responsibilities are regarding these documents.

Our church service starts at 10:00 AM. This is the sacrament meeting. The Sunday School lesson starts immediately after this at 11:00 AM.

We know this is a late notice. We would love to see you if you can make it.
